Goal for this year. Upgrade 15 Members from Grade 3 to Grade 2.

Upgrade at least 5 Members from Grade 2 to Grade 1.

Things we are looking for: Willing to do more, Extremely responsible, knows the Rules and applies them, professionalism, availability, willing to work with others and take the lead, accepts criticism and utilizes the feedback to get better, willing to represent our Chapter and can be trusted with big assignments.

New Members: Can we get to 200 active members? We all need to help the growth of our Chapter.

Let's get them a point of contact to get some guidance as they start. Will need help with volunteers to serve as Mentors for them. We need responsible Members that are willing to answer questions and give some directions.
